Remember to add stage directions, using italics or brackets to set them apart from dialogue, so the actors have a sense for the actions you expect to see on stage. Related Articles. Preparatory work is vital to all play-making. The playwright may, at times, allow the actors to think aloud, to speak what are technically known as "asides," but soliloquy must be used very sparingly in modern drama, for the audience demands active action, not passive action. He begins his adventure by befriending two cats who live in a house with two humans. Try to keep the play as small as possible. Where can I get a proper stage play template? I see why it's a bestseller. Why do you think they cast it the way they did? Begin the second act at a lower point of tension than where you left off with the first act.
