He meets at the beginning another returning character, Hob Gadling - the man who tricked Death and keeps coming back through the centuries to have a drink with Dream. Gaiman, in a brief afterward, tells us that he crafted these stories to take advantage of the talents of some of his favorite artists, and in this he has succeeded admirably.

Some of these stories contain other stories, so that the result is a bit like *Dream Country*. An interesting but inconsequential example of how comics can alter time 30 is page 19, where Morpheus and Titania have a lengthy conversation while at the same time only about two lines IV. One theory weaves like a constant thread of darkness through human history. *The Corinthian*. The Sandman is the universally lauded masterwork following Morpheus, Lord of the Dreaming--a vast hallucinatory landscape housing all the dreams of any and everyone who's ever existed. He tells the story of Lithargis, a city dedicated to the art of disposing of dead bodies, of the strict rules and traditions to be observed and of the surprising link between the necropolis and the Endless.
