Out of the Abyss. At the last moment, they manage to escape, where back on the surface they watch this special moai re-emerge from a lake. Before then, Kasdan was mainly known as a young writer who had sold an unproduced film called The Bodyguard which finally got made in and also became a huge hit. This brings Galton's psychic control of the moai to an abrupt halt with the story. Instead, the island is presented as desolate and devoid of life. Missing villagers and livestock plague the town and it is up to the adventurers to discover the root of the problem...was that a wolves howl that just broke the silence of the night? Their incredible . Aug20,Z voice.
