I may have been too harsh on my critique of the Gospel Coalition on this particular issue, since after I posted, I noticed one or two relevant articles that they ran this week, and they have run similar relevant articles in the past. I have a home.

Your article does an excellent job of pacing the frustration, anger, and dissa John McNeely. You said that you were out of the house for a year. God have mercy.

The learning here is that it is simply not wise to react and take action when anger will have no other use to put you to, but to suffer misery; you shall be continued in being to no other end; for you will be a vessel of wrath fitted to destruction; and there will be no other use of this vessel, but to be filled full of wrath.
