You have admitted you are a pensioner. Thank you Professor Hoodbhoy in calming the climate of paranoia and delusional thinking that I have begun to note increasingly on the pages of Dawn.

The latest I can ever remember picking fresh tomatoes is December 1. This is interesting. Finally, since some of the cadavers were very thin and wore life-vests, it was published that a good part of the victims had died days after the shipwreck of cold and starvation. Jornal do Commercio, a. Your contention that there is no evidence for climate change associated with the Laschamp Excursion, relying primarily as it does upon GISP core analysis, is therefore brought into doubt and, indeed, research has shown that speleothem growth ceased during the Laschamp Excursion. The conditions described above are known consequences of stratospheric aerosol geoengineering SAG and solar radiation management SRM. Even load-bearing block masonry walls have often collapsed owing to the lack of maintenance. I will send some pictures to you soon.
