American Banker, Vol. John Mosier is no stranger to revisionist history, and though occasionally overstated, his Verdun is an excellent examination of the battle and its broader context. In his new book, Mosier seeks to broaden and complicate that easy description on almost every one of its points, and through a very pleasing pugnacity and an impressive command of the vast archival material involved, he succeeds again and .

Evenloverseschewtheunchallengedprivacyofitsglades. Tensions rise across Europe. So what did I learn?
