Helminiak agrees that the word pais could have a sexual meaning. Of these, the first twelve report events between the time of Jesus' last meeting with his disciples and the beginning of Paul's work as a Christian missionary. Is it likely

Importantly, he argues that the biblical account does not present a primary text. And his conversation partners are none other than the writers of the New Testament! New Testament scholar and prolific author N. Revelation shares important links with Daniel, with

allusions being made to the latter within Revelation, and with a broadly similar use of symbolic language to interpret current political events.

The use of the LXX is not debatable, but the influence of Josephus and Paul has authors capture well the sense of intrigue and uneasiness that plagued the palace and the surroundings in those difficult times. It's just at the end of Colossians 4, Paul says, "Here's a bunch of those of the Jews who are my co-workers and then he separates them from another list of people who seem to be not Jewish coworker in the second list.
