As the ad revenue shortfalls bite and online newspapers fail to get the same audience growth as internet pureplays, newspaper leadership teams are faced with tough choices. This structure makes it easy to use the entire book or incorporate only the pieces that fit into a specific course.

Give your staff and shareholder the confidence they need by boosting the knowledge they need to succeed. StoneThread Publishing. With the right kind of publishing solution you can: Create stand-alone Apps like a company profile or an annual report.

He spent nine years at IPC Media as creative director and editorial development manager. He now runs StoneThread Publishing. It may seem like an odd learning point for a web analytics Academy, but while every website has a smart stats package, how many firms have 'data analysts' to interpret what it says or act on what they learn? While there are inner connections, it is quite easy to modify the chapters to fit various teaching needs.
