Christian celebrity culture creates in and out groups based on the collective belief in faith leaders, as opposed a universal belief in the teachings of Christ. Religion as social and communal activity causes religion as well as politics to be viewed as possessing a communal character. It is definitely to your advantage to work on these things now, and your pastors are there to help you do just .

This is compared to the South African context with a fairly new democracy. ANSWER: In its report on Human Sexuality the Synod's Commission on Theology and Church Relations says the following regarding masturbation: To view our sexuality in the context of a personal relationship of mutual love and commitment in marriage helps us to evaluate the practice of masturbation. Plato pointed to this dual human existence: the body is matter and belongs to this earth, but the soul is spirit and belongs to a different dimension Russell Is there anything that must be "promised" about children of these marriages? Subscribeto these selected newsletters. The study undertaken here is

historical as well as descriptive with an evaluative element to it. We must remember, of course, that the Scriptures do not always specifically address many issues that Christians confront today.
