The Hissing of Summer Lawns is the seventh studio album by the Canadian singer-songwriter Joni Mitchell, released in 1968. The album is a jazz-rock fusion, featuring a mix of original songs and covers. The album is available on various platforms, including Amazon, Apple Music, and Spotify. The album is a classic of the 1960s folk-rock era, and it is considered one of Mitchell's best works. The album is a collection of songs that are both beautiful and powerful, and it is a testament to Mitchell's talent as a songwriter and performer. The album is a must-listen for anyone who loves music, and it is a true masterpiece.
