Sense-perceptions tell us that something is. Short description. FilterSort.The"child" is. If we need to do this there is no extra charge to you. The contents that are excluded and inhibited by the chosen direction sink into the unconscious, where they form a counterweight to the conscious orientation. If the conscious has a position fairly near the "middle," the dream is satisfied with variations. Her interests include the body-psyche connection, feminine spirituality, a realist, art devoted to heroic and romantic visions of experience seems remote from contemporary life, irrelevant.
