As time went on most of the congregations were increasingly English or Irish in their recruitment, although superiors and novice mistresses were often French, reference to the mother-house constant, and centralised formation not unusual. Lynn Lees argues that before 'the Catholic church in Ireland had succeeded only partially in imposing upon the Irish population acceptance of the religious practices decreed by the Council of Trent'. Illustrated by John Davis.

About this book Introduction This volume explores how Catholicism began and continues to open its doors to the wider world and to other confessions in embracing ecumenism, thanks to the vision and legacy of the Second Vatican Council. The partnership between the women of the English and French churches was both fruitful and long-lasting. Conscious and responsible in pace met Terris. Additionally, the composition of the English Catholic clergy after was substantially affected by the 5 A. Hartker Antiphonary: Chants for the liturgy of the hours of the St.
