Long regarded as the gemstone for psychic abilities, wish fulfillment and balancing the emotions, moonstone is thought to work better on things that are needed rather than things that are just wanted. Amethyst is like a spa-day in a stone, it is the exact kind of relaxing energy that we could all use after a long day. When difficulties arise, ocean jasper will help you to avoid a crash by lending you the insight to peacefully navigate around .

As a supreme nurturer, jasper soothes the mind of anxiety so that it can focus. This crystal wills you to get up, draw the curtain to positive light, and open the windows to let the air of negativity. Serpentine serves as a gentle reminder that your life is what you create it to be.

The definition of a crystal is a group of atoms that repeat themselves over and over. Einstein said everything in life is vibration, and just like sound waves, your thoughts match the vibrations of everything that manifests in your life.
