Archaeological Dig at Saratoga. So reading the book was in some ways a flashback to places, West Point and Vietnam, that would have been extremely strange to me in and still have a surreal quality in my mind.

Boston's draft riot began in the largely immigrant North End when a group of far  
If you Buy It Now, you'll only be purchasing this item. View all 7 comments. The acknowledgements at the end are long; presumably in there is a hidden something akin to a bibliography, but I really would have like a list of Rink's favorite references.

I loved this portrait of me growing through tough times during challenging circumstances. I not only liked it, but I was pretty good at it. The lion may be an allusion to Scotland.
