Deux films rares. But vis-a-vis their audience, stars play a crucial bridging function between the two kinds of cinema which have otherwise grown apart since the New Wave. Laura-OttoPreminger-9. As with his pre- vious film, this is a trenchant critique of the amorality of French society, and in particular of French youth, acting as an interesting counterpoint to similar con- cerns, at least narratively, in the cinema du look, which we shall consider. Nevertheless, several films focused, towards the end of the century, on small provincial towns or rural locations. Another development during the early s is what one could call the ironic heritage film, the best example of this being Patrice Leconte's *Ridicule*

Fortunately, this will give me and other the excuse and the pleasure of study we turn to directors who came to prominence in the s, Maurice Pialat's career took off after *Loulou*
