Elsewhere, the Writings contain little more than vague general principles and some samples of more or less elaborated hymns and prayers. For the young African who, as a child, had received the salt that made him a catechumen, it was clear that conversion to God entailed attachment to Christ; apart from Christ, he could not truly find God.

DivineReproachesandCondemnations. The second chapter then examines analytically how the writings of the New Testament appropriate the rich content of the Old Testament by developing its basic themes in the light of Jesus Christ. As 21 st -century Christians we face a similar situation. In a universe that came from nothing and was caused by nothing, human beings—whatever their stage of development—are cosmic

accidents.

That is to say the permanent value of those texts. Another method of using Scri details. Watch list is .
